

Bureau of Land Management, Interior

§ 3515.21

(b) BLM will promptly take action to dismiss any party who shows they are a *bona fide* purchaser from any legal proceedings to cancel the lease.

Subpart 3515—Mineral Lease Exchanges

LEASE EXCHANGE REQUIREMENTS

§ 3515.10 May I exchange my lease or lease right for another mineral lease or lease right?

Yes. BLM may determine that operations on your lease or lands for which you have a preference right to a lease are not in the public interest. If you or BLM identify other lands for exchange, you may relinquish your current lease or preference right in exchange for a mineral lease of other lands of equal value.

§ 3515.12 What regulatory provisions apply if I want to exchange a lease or lease right?

(a) Except as provided in paragraph (b) of this section, this subpart and the relevant provisions of part 2200 of this title apply to mineral lease exchanges.

(b) Exchanges involving the issuance of coal leases, coal lease bidding rights or coal lease modifications are subject to the regulations in subpart 3435 of this chapter rather than to the regulations in this part.

§ 3515.15 May BLM initiate an exchange?

Yes. When we do:

(a) We will notify you that we are prepared to consider exchange of a mineral lease if you relinquish your existing leasing rights.

(b) We may exchange all or any part of the lands under your preference right lease application(s) or lease(s).

§ 3515.16 What standards does BLM use to assess the public interest of an exchange?

BLM must find that the exchange is in the public interest under the following criteria:

(a) The benefits of production from your existing lease or preference right to a lease would not outweigh the adverse effects on, or threat of damage or destruction to:

(1) Agricultural production potential;
(2) Scenic values;
(3) Biological values including threatened or endangered species habitat;

(4) Geologic values;

(5) Archeological, historic or other cultural values;

(6) Other public interest values such as recreational use;

(7) Residential or urban areas;

(8) Potential inclusion in the wilderness or wild and scenic rivers systems; or

(9) Other public uses, including public highways, airports, and rights-of-way from lease operations.

(b) The lands proposed for exchange must be free from hazardous waste as defined under the authorities of the Federal Water Pollution Control Act (33 U.S.C. 1251), Resource Conservation and Recovery Act (42 U.S.C. 6901) and the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. 9601).

§ 3515.18 Will I be notified when BLM is considering initiating an exchange that will affect my lease?

Yes. The notice you receive will:

(a) State why we believe an exchange would be in the public interest;

(b) Ask whether you are willing to negotiate for an exchange;

(c) Contain a description of the lands for which we would offer exchange terms; and

(d) Ask you to describe the lands on which you would accept a lease in exchange for your present holdings.

TYPES OF LEASE EXCHANGES

§ 3515.20 May I exchange preference rights?

Yes. To have a preference right that can be exchanged, you must have timely submitted a preference right lease application. If you have demonstrated a right to a lease, BLM may, in lieu of issuing the preference right lease, negotiate for the selection of appropriate lands to exchange and establish lease terms for those lands.

§ 3515.21 What types of lands can be exchanged?

The lands to be leased in exchange for your existing rights must be:
